

Astroscale is the first private company with a vision to secure the safe and sustainable development of space for the benefit of future generations, and the only company solely dedicated to on-orbit servicing across all orbits.

Founded in 2013, Astroscale is developing innovative and scalable solutions across the spectrum of on-orbit servicing missions, including life extension, in-situ space situational awareness, end-of-life services, and active debris removal, to create sustainable space systems and mitigate the growing and hazardous buildup of debris in space. Astroscale is defining business cases and working with government and commercial stakeholders to develop norms, regulations, and incentives for the responsible use of space.

Headquartered in Japan, Astroscale has an international presence with subsidiaries in the United Kingdom, the United States, Israel, and Singapore. Astroscale is a rapidly expanding venture company, working to advance safe and stable growth in space and solve a growing environmental concern. End of Life Services by Astroscale-demonstration (ELSA-d), the company's first on-orbit demonstration of debris capture and removal, launched in March 2021.

Astroscale U.S. Inc. is currently seeking an **Accounting Manager** to join our team in our Denver, Colorado location. In this role you will supervise, monitor, and evaluate all day-to-day accounting activities. You will be responsible for developing and implementing standards and processes for collecting, analyzing, verifying, and reporting financial information to support the performance and success of Astroscale U.S. Inc.

To apply: Email your resume and cover letter to careers@astroscale-us.com with **Accounting Manager** in the subject line. The application deadline is **May 19, 2021**.

Duties & Responsibilities

- Responsible for maintaining, developing, and implementing systems for analyzing, verifying, and reporting financial information.
- Meets accounting financial objectives by forecasting requirements, preparing an annual budget, scheduling expenditures, analyzing variances, and initiating corrective actions.
- Responsible for implementing appropriate financial management processes, accounting principles, and practices to ensure consistent and accurate reporting and analysis.
- Interacts with budget stakeholders to produce timely, efficient, and accurate month-end close and financial reporting through annual report.
- Interpret Federal Acquisition Regulations (FAR) and Cost Accounting Standards as they apply to contracts, processes, practices, pricing, and procedures.
- Perform multiple financial cost analysis functions including cost allocation, setting up cost control systems, collecting data, and controlling costs.
- Liaise and support internal and external stakeholders.
- Protects organization's value by keeping information confidential.

Qualifications & Skills

- 5+ years' experience with a bachelor's degree or higher in accounting, finance, or related field.
- Ability to evaluate complex issues and provide solutions.
- Working knowledge of IFRS and GAAP.
- Working knowledge of Cost Accounting Standards and Federal Acquisition Rules.
- Strong organizational, analytical, presentation, and collaborative interpersonal skills.
- Excellent verbal and written communication skills.
- Flexible and adaptable to changing priorities and workloads.
- Competent in Microsoft Office Suite.
- Ability to cope under pressure and ensure deadlines are met.

Please note Astroscale U.S. is a U.S. Government registered, export control compliant company, as such applicants should be a U.S. person or U.S. citizen.

Astroscale U.S. is committed to creating a diverse environment and we pursue and embrace a variety of thinking, beliefs, and ways of life that are international, open-minded, and inclusive.
