

Astroscale is the first private company with a vision to secure the safe and sustainable development of space for the benefit of future generations, and the only company solely dedicated to on-orbit servicing across all orbits.

Founded in 2013, Astroscale is developing innovative and scalable solutions across the spectrum of on-orbit servicing missions, including life extension, in-situ space situational awareness, end-of-life services, and active debris removal, to create sustainable space systems and mitigate the growing and hazardous buildup of debris in space. Astroscale is defining business cases and working with government and commercial stakeholders to develop norms, regulations, and incentives for the responsible use of space.

Headquartered in Japan, Astroscale has an international presence with subsidiaries in the United Kingdom, the United States, Israel, and Singapore. Astroscale is a rapidly expanding venture company, working to advance safe and stable growth in space and solve a growing environmental concern. End of Life Services by Astroscale-demonstration (ELSA-d), the company's first on-orbit demonstration of debris capture and removal, launched in March 2021.

Astroscale U.S. Inc. is currently seeking a (paid) **Marketing & Communications Intern** to join our growing Denver, Colorado location. In this role you will support the Marketing & Communications Team in the development of our brand and presence throughout the on-orbit servicing ecosystem and the space industry. We are seeking a student that will either graduate soon (Winter 2021, Spring or Summer 2022) or has recently graduated.

**To apply:** Email your resume and cover letter to [careers@astroscale-us.com](mailto:careers@astroscale-us.com) with **Marketing & Communications Intern** in the subject line. The application deadline is **December 1, 2021**.

**Note:** The duration of this internship is flexible and will be negotiated with the candidate.

### **Duties & Responsibilities**

- You will work collaboratively across teams in the U.S. and abroad to build the Astroscale U.S. brand.
- You will help manage the Astroscale U.S. presence at conferences and other events. This includes branding, event logistics, and registration management.
- You will research, write, and edit marketing and communications material such as social media content, web content for SEO, press releases, scripts, pitches, etc.
- You will research and provide recommendations on new marketing and communications methods and tools.
- You will identify opportunities and support existing and new relationships with media outlets/personalities, marcomms-oriented student and young professional organizations, and other relevant groups.
- You will support and improve media monitoring and databases, content calendars, and other PR management tools.

**Astroscale U.S. Inc.**  
525 E Mississippi Ave  
Denver, CO 80210  
[astroscale-us.com](http://astroscale-us.com)

- You will support internal marketing and communications efforts including the company intranet, employee events, and All-Hands meetings.

### **Qualifications & Skills**

- Collaborative communication and interpersonal skills with the ability to work both independently and as part of a team.
- Applied understanding of basic marketing and communications principles.
- Excellent written and verbal communication skills.
- Previous internship experience in a similar role within the space industry is preferred but not necessary.
- Bachelor's degree (or pursuing a Bachelor's) in a related field (e.g., Marketing, Communications, Public Relations, Journalism, etc.) or equivalent experience.
- Interest in learning.
- Willingness to adapt, be flexible and have fun.

Please note Astroscale U.S. is a U.S. Government registered, export control compliant company, and as such applicants should be a U.S. person or U.S. citizen.

*Astroscale U.S. is committed to creating a diverse environment, and we pursue and embrace a variety of thinking, beliefs, and ways of life that are international, open-minded, and inclusive.*
